

# 2022 Annual Medicaid MCO Survey **Telehealth**

#### **Methods and Overview**

In its fifth year, the 2022 survey findings represent health plan data from almost every state with Medicaid managed care. The annual surveys collected information at the parent company/corporate levels and are intended to equip Medicaid stakeholders with the information needed to accurately articulate the national narrative about Medicaid managed care.

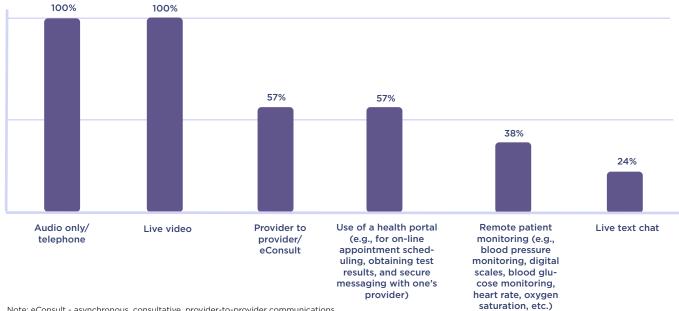

#### Health Plan Tax Status **Health Plan Markets** Private Non-Profit (57%) 100% Percentage of Respondents 90% Private For-Profit (14%) 67% Government or Other (29%)Medicaid Health Plan Respondents by Size 33% Small Health Plan (<250K Covered 10% Lives) (43% of health plans) Medium Health Plan (250K - 1 Million Covered Lives) (28.5% of health Medium Large Health Plan (> 1 Million Covered Lives) (28.5% of health plans) Single State Multistate
